Dear MEarth Supporter,

Summer is beginning to wind down and that means our fourth annual **Glass Pumpkin Patch of Carmel fundraiser** is right around the corner! The event takes place at the beautiful Hilton Bialek Habitat on **September 17th and 18th**, (with a special Glassblowing Demo/Pre-Pumpkin Patch Reception at Masaoka Glass Design in Carmel Valley Village on Thursday, September 15th).

The Glass Pumpkin Patch features a dazzling array of over 1,500 hand-blown glass pumpkins by award-winning and nationally recognized glass artist Nick Leonoff (and friends). Proceeds from this event directly support MEarth's hands-on environmental education programs that reach over 2,500 youth across Monterey County every year. **We are writing to ask if you would consider becoming a sponsor of our event to help us positively impact more lives in Monterey County.**

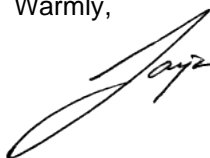

Last year, the event attracted over 1,300 attendees from the Central Coast region. As a sponsor, your business/organization would be prominently featured on all event signage, website, and social media marketing, providing maximum exposure to grow your customer base. Sponsorship opportunities start at \$250 and offer a variety of benefits, as explained in the accompanying pages. If you would like to support our event through in-kind contributions of goods or services, please contact us directly.

We believe that educating young people about how their daily choices impact personal health and the long-term health of the planet is absolutely vital in creating a more healthy and sustainable future for us all. Our programs are changing lives every day, and we want you to be a part of it! **Will you join us as a sponsor of the 2016 Glass Pumpkin Patch of Carmel?**

Please send the attached form to our Fund Development Associate, Kristin Adams (Kristin@MEarthCarmel.org), and feel free to call our office with any questions or for more information: 831.624.1032.

Thank you for your consideration in helping make this event bigger and better than ever and helping us grow the next generation of environmental leaders in our community!

Warmly,

Tanja Roos, Executive Director

MEarth at the Hilton Bialek Habitat
