MEarth is an environmental education nonprofit with roots in Carmel Valley, California, that is growing the next generation of environmental leaders through education, collaboration, partnerships, and community action. We educate and inspire through environmental stewardship.

MEarth Youth Programs SL Position

MEarth Youth programs invite Monterey County students to work hand-in-hand with experienced MEarth staff members to bring traditional classroom learning to life with memorable, hands-on custom curricula in social studies, language arts, and ecological literacy. Programming occurs on-site as field trip opportunities for local schools and students as well as off-site for partner organizations (e.g. Boys and Girls Club of Monterey County). SL opportunities times, dates, and locations vary based on individual interest. Potential opportunities include:

- Carmel Middle School On-Site Language Arts and Social Studies Culinary and Garden Programming
- Carmel Middle School On-Site Ecological Literacy Program and Sustainable Food Week
- Girls Health Girls Hands Health and Wellbeing Program (High School ages)
- Ecological Literacy Field Trip Programs
- Sustainable Food Field Trip Programs
- Spring Break Camp Program (March 11-15)

MEarth is an independent, 501(c)(3) corporation separate from Carmel Unified School District. EIN 26-2973625

Edible Garden and Native Plant Care SL Position

Assist in MEarth's organic garden, performing tasks such as watering, weeding, propagating, planting, composting, and harvesting. Over the course of your service-learning positions learn the basics of garden care through leading a harvest, weeding, or planting activity with volunteers or students.

- Harvesting: Monday - 8:30am - 10:30am
- Gardening: Thursday - 9:30am - 12:30pm
- Native Plant Care with the Native Plant Society: Friday - 2:30pm - 4:30pm

Community Connect SL Position

Assist in MEarth's special events open to the public, this includes planning, supporting, and leading activities, creating, surveying and evaluating, and sharing promotional materials, and being present at events on evenings and weekends. MEarth Spring Community Connections is on March 27, 2021.

Nonprofit Fundraising and Event Management SL Position (September Only)

Through this service-learning experience, you'll learn event budgeting, income projections, marketing outreach, food, and beverage logistics, and volunteer management to help increase the financial success of MEarth's annual MEarth Day event. *To volunteer, you must be available April 28th - 30th, 2022.*
